

## MEDICAL ADMINISTRATION FORM

Due to a change in our policy on administering medication to young people on RESIDENTIAL courses at Cobnor Activities Centre, the following is a list of medication that, if required, we may give to a young person who is attending the Centre.

To do this, **we require your consent**. So please see the list below and **sign where appropriate**. These medications will only be administered by a senior member of staff. The dose and frequency will be recorded.

If you wish to discuss this further, please ring the office prior to commencement of the course,

**Gary Palmer**  
Head of Centre
